Topics Discussed:

- This week we had to take care of diagrams such as Activity Diagram, Collaboration Diagram, Sequence Diagram and State Diagram.
- We discussed to share our work in order for us to be easier and faster.
- We discussed on some changes we needed to do on the previous cases that we had last week.
- Each one gave valid options and we were able to make some successful decisions.

Decisions Made:

- Decided to start working with the diagrams and separating the work.
- Adding new diagrams and separating work to each member.
- Improve diagrams for a better and clear view in the future of the project.
-

Tasks Assigned:

- Working on specific diagrams.
- Divided them into members.
- Sonja and Rinika will take care of Activity Diagram, Sequence Diagram and State Diagram.
- Ibrahim will take care of Collaboration Diagram.
- Everyone will update on their Wikis each week and what they have done through this project.

- Submit the work that has been done on Github
- Grow our group performance
